

The Jeio collection is the fruit of two interwoven love stories. On one side is the Bisol family with their vineyards that they have been nurturing for generations with care and dedication. The other side is the love of Giovanna Bisol for her husband Desiderio, whom she affectionately called "Jeio".

Jeio was a true pioneer of Prosecco Superiore, a visionary in love with his land who would scour the hills of Valdobbiadene on his red Moto Guzzi. He would seek out the finest plots to purchase and add to the family's jewels, so that his wines would encapsulate the characteristics of different but complimentary terroirs.
