**ABOUT THIS WINERY**

Clos des Fous is an immensely exciting Chilean project, focused on the revitalization of very old dry farmed vineyards and the planting of new vineyards in the most dramatic and challenging conditions imaginable. This is as cutting edge as it gets anywhere in the world, combining extreme viticulture, organic and biodynamic farming, and non-interventionist winemaking to produce remarkable wines.

**TASTING NOTES**

Beautiful dark ruby-red color with violet highlights. Outstanding fruit, with a nose full of red berries, black cherry, black pepper hints of violets. Those elements come through on the palate, with fresh black and red fruit, revealing a full-bodied wine. This wine opens generously, very silky and lush on the palate. In mid palate is round and velvety with very fine tannins and the excellent acidity enhance its liveliness and balance.

**VITICULTURAL NOTES**

This blend comes from old vines of dry land, planted on very old red granite soils of the Paleozoic era. Mostly Itata, several vineyards from Cauquenes and San Rosendo. All the vineyards are very small around 2- 5has, is a perfect example of our history and winemaking tradition.

**WINEMAKING NOTES**

Harvested by hand from selected grapes from old vines of dry farming of Itata and Cauquenes. Fermented by the traditional artisan methods. Every grape, from every winegrower were harvested, fermented and aged separately. Once the wines were ready we blended to propose this new fresh assemblage.
