ABOUT THIS WINERY

Clos des Fous is an immensely exciting Chilean project, focused on the revitalization of very old dry farmed vineyards and the planting of new vineyards in the most dramatic and challenging conditions imaginable. This is as cutting edge as it gets anywhere in the world, combining extreme viticulture, organic and biodynamic farming, and non-interventionist winemaking to produce remarkable wines.

TASTING NOTES

Pale gold yellow with shades of Green. The nose opens with hints of white peach, pear and white flowers. A subtle note of butter complete it's great typicity. Mouth full of energy. Freshness and brightness framed its balance and complexity. Persistent and mineral finish.

VITICULTURAL NOTES

Chardonnays comes from the cold area of the Andes Mountain allowing a natural high acidity to the grapes and less sun exposition. Both Vineyards are high altitude vineyards; the first has a colonial soil, clay sandy, very deep. full of volcanic rocks and pebbles, allowing a very deep root development. The second comes from our Grillos Cantores Vineyard, fully alluvial from the Cachapoal river. Soil is gravelly mix with limestone, very deep roots.

WINEMAKING NOTES

Harvested by hand from selected grapes from Alto Cachapoal. Fermented by the traditional artisan methods.
