ABOUT THIS WINERY

Some people will go to the end of the earth for the right wine and others will go to the end of the earth to make it. Patagonia has emerged as a source of premium wines and a region to watch with its collection of high altitude old vines. Bodega Noemia was inspired by the discovery of a small plot of old vine, pre-phyloxera Malbec in the Río Negro Valley and today they produce brilliant wines from this remote corner of the globe.
